Vision

Plan Tough and Realistic Training

Link Everything

To Generating Readiness
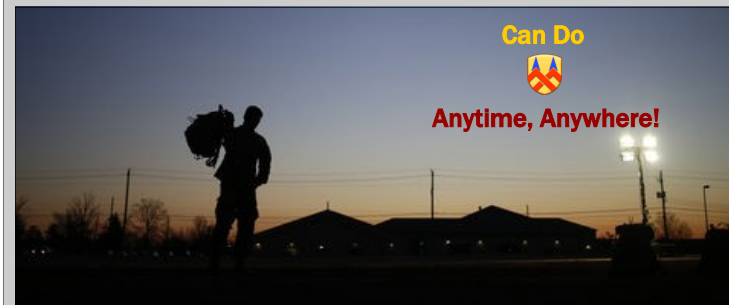

Mission

Steady State

- Exercise Mission Command of assigned forces in order to provide USARC trained and ready units and individuals in support of geographic combatant command requirements.

Operational

- On order, deploy and operate as the senior Army logistics headquarters capable of planning, controlling and synchronizing operational-level Army deployment and sustainment.

Can Do

Anytime, Anywhere!

- The Army Reserve is an operational force for the Army, the Joint Force, and the Nation, providing trained, equipped, and ready Soldiers, leaders, and units wherever and whenever needed.

U.S.ARMY

377th Theater Sustainment Command

A Culture of Professional Excellence

Can Do, Anytime, Anywhere!

WE ARE BUILDING
A CULTURE OF
PROFESSIONAL EXCELLENCE

TWICE THE CITIZEN

Army Strong!

Commanding General's Priorities

Man/Care for the Force

Soldier Readiness - is the cornerstone of a deployable and ready force:

- MOS Qualification
- Physical Readiness
- Height and Weight
- Medical and Dental

Talent Management

Sponsorship

R2C - Ready and Resilient Campaign
(physical, emotional and psychological resilience)

Comprehensive Soldier/Family Fitness
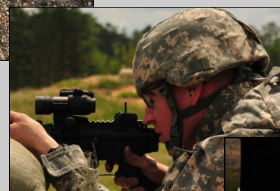

Leader Development

Profession of Arms - the commitment to learn, to understand, and to promote the knowledge, skills, attributes, and behaviors that define us as a profession

Professional Military Education

Leaders are Developed in the Crucible of World Class Training (Coach, Teach, Mentor)

Training Management

- Training is a commander responsibility - protect it
- Learn training doctrine and teach it to subordinate commanders
- Battalion Commanders are the focal point of training management:

    - Execute commander's dialogue

    - Plan tough and realistic training

    - Protect and resource training

- Use Army Training Systems (ATMS, ATN, CATS, etc.)

The Clock is Ticking...

Stewardship

Cost Management

- Audit Readiness
- Forecasting
- Cost Benefit Analysis

Command Discipline Programs

- Use resources according to priorities

HANDBOOK
Small Unit Leader's Guide to:
The Command Supply Discipline Program
Tactics, Techniques, and Procedures

Mission Command

Command Responsibilities

- Create a shared understanding of the environment
- Provide clear commander's intent
- Build trust

Unit Status Reports

- Educate leaders at all levels on strategic impacts/ system of record

Operate on Mission Orders
